Reports and activities must be written and typed, advertisements sold, pictures drawn and colored, tickets made and sold, along with many other difficult tasks. Money to put out this annual is made by selling the year-books at $2.50 each and selling advertisements to the local businessmen at $5.00, $10.00, and $20.00.

In putting out this 1950 annual, we sincerely hope that it will bring back many pleasant memories of years gone by.

We would like to thank everybody that made it possible for our annual to be successful.

News from the various editors, assistants, and reporters is handed in once a week, usually on Tuesday. After being typed up, it is taken to the Record office to be put in the High School News of the Odessa Record, which is put out on Thursday.

The News Staff this year has very much wanted to put out a school paper which would contain only, and all the news of our school but, because of lack of finances, equipment and many other things, it has so far been impossible.

Odessa's Instructional Aids Program

The Odessa School's program of audio-visual aids had its beginning during the 1945-46 school year when Superintendent Ernest Newland appointed Mr. Gasser to take charge of planning a revised program of instructional aids to meet the needs of both elementary and high school classes.

Since that time a central department of instructional aids has been created for the purpose of serving teachers to better use the audio-visual aids to teaching. The room is capable of seating any class in the school system. Storage facilities for filing materials and equipment have been provided. All furniture in the room has been constructed by student staff members working in the school shop.

Our Audio-Visual Department is at the present time serving under the supervision of the Department of Secondary Teachers of the National Education Association. A certificate of Merit was received in the fall of the 1949-50 school year, and was awarded for commendable advances in the use of instructional materials.

In order to remain worthy of this recognition, the Department has introduced demonstration programs to the local parent-teacher organization, the county's school superintendents, and neighboring schools.

Mr. Gasser has written several articles on our instructional aids program during the past five years. They are:

AN INSTRUCTIONAL AIDS PROGRAM FOR A SMALL SCHOOL SYSTEM—a Thesis for Master of Arts Degree.

WE INTRODUCE AN AUDIO-VISUAL PROGRAM—April 1949 issue of Washington Education Association.

A DEMONSTRATION CENTER GOES INTO ACTION—March issue of the Audio-Visual Guide.

The 1949-50 Instructional Aids main officers were as follows: President, Gene Kuest; Vice President, Lee Schorzman, Secretary, Elaine Nichols, Treasurer, Mary Ann Smith.

CLASS HISTORY

School opened September 3 in 1946 and 23 very scared Frosh got their first taste of high school life.

Three new students joined our class with the beginning of our Frosh year. These were Viola Coleman, Dorothy Wraspir, and Bob Wolsborn.

The first thing that happened to us was to get practically scalped by the very superior seniors. This took place on October 18th. It was not surprising to see some odd looking characters parading around the school.

Three boys earned letters that year in football. These were: Don Zeiler, Marvin Fink, and Don Kuest. Of course, we were proud they earned them.

Class officers for the first semester were as follows: Marvin Fink, President; Donna Frank, Vice President; Louella Haase, Secretary; Norma Hopp, Treasurer; Dorothy Winters, Representative. The second semester officers were: Delores Frueh, President; James Weber, Vice President; Dorothy Winters, Secretary; Louella Haase, Treasurer and Dorothy Winters, Representative.

School reopened after a wonderful summer vacation and the once green Frash were anxious to become Sophomores. We learned that three students would not be with us that year. These included Charles Schoonover, Viola Coleman and Mildred Elliott; but we were happy to welcome Jo Mason, Gerald Ott, and Howard Lobe.

We felt very proud when we found out we had won first prize on the western float which we had entered in the Rodeo Day Parade.

On March 19th the Sophomores gave a St. Patrick's Day dance. The music was provided by records and everyone had to wear something green. A large number of students attended.

At the end of the first semester James Weber moved away.

First Semester officers were: Marvin Fink, President; Don Kuest, Vice President; Delores Frueh, Secretary; Howard Lobe, Treasurer; Dorothy Winters, Representative.

Second Semester officers were Howard Lobe, President; Don Kuest, Vice President; Dorothy Winters, Secretary; Marvin Fink, Treasurer; Delores Frueh Representative.

Summer vacation soon came and we had completed another year in Odessa High School.

When school resumed in the fall, we had two new Juniors with us. They were Betty Strickler and Cecil Kendrick. Jo Mason, Delores Frueh and Bob Wolsborn had left us. Our Junior year brought many responsibilities to us. We sought about finding ways of collecting money for our Junior-Senior Prom. This we did by selling pop and hotdogs at all football and basketball games.

The next big event during our Junior year was our Class Play. It was entitled, "My Darling Children", a comedy in three acts, which was really successful. Donna Frank and Merle Janke had the leading roles. The matinee was given on December 21 and the night performance on December 23.

CLASS HISTORY [Continued]

The time for the Junior-Senior Banquet and Prom drew near and the Juniors chose the theme "Mardi Gras". The Prom was given on May 13, with the music furnished by the Harrington Melody Makers. The gym was decorated in yellow and aqua crepe paper streamers and the top of the room was gaily decorated with balloons of all colors and shapes. On one end of the gym a minature carnival was set up. The menu for the Banquet included: Tomato Juice cocktail, baked ham with pineapple, creamed potatoes, fruit salad in orange cups, buttered peas, parker house rolls, coffee, angel food cake and ice cream. We had lots of fun giving the prom, and were indebted to the mothers who helped us with the dinner.

During the year we were sorry to lose Louella Haase and Don Zeiler. Cecil Kendrick and Howard Lobe were promoted as Seniors.

The first semester officers were: President, Norma Hopp; Vice President, Don Kuest; Secretary, Dorothy Winters. Second semester officers included Gerald Ott, President; Dorothy Winters, Vice President; Secretary, Donna Frank; Treasurer, Donna Fisher; Representative, Merle Janke.

Finally the last year of high school arirved, and we felt very proud. Jo Mason, Mildred Elliott, and Willard Graedel came back to Odessa to graduate, but we found Betty Strickler, Donna Fisher and Bernice Lobe had left us.

The students who have completed 12 years of school together are: Dorothy Winters, Merle Janke, Marvin Fink, Donna Frank, Wilma Widmer, Ardyce Kissler, Norma Hopp, and Rose Marie Klima.

Our first semester officers were: President, Dorothy Winters; Vice President, Ardyce Kissler; Secretary, Marlene Scrupps; Treasurer, Wilma Widmer; Representative, Merle Janke.

On October 17, we initiated the New Frosh. It was a wonderful day and the seniors all enjoyed ordering the Frosh around.

It seemed as if school had just started when the first semester came to an end. We had our pictures taken at Lockwood Studio, and a few had theirs taken at Christian's. Our second semester officers were: President, Merle Janke; Vice President, Dorothy Winters; Secretary, Norma Hopp; Treasurer, Marlene Scrupps and Representative, Ardyce Kissler.

Our educational tour came next. We spent two wonderful days at the Bar M Dude Ranch in Oregon.

We then started planning for baccalaureate, class night and commencement. It really was a lot of fun, too.

CLASS PROPHECY

As Madam Zuzu sits in her corner and gazes into her crystal ball she sees 20 years from now:

Dorothy Wraspir, now Mrs. Bob Randall with her ten little Randy's walking down Broadway in Odessa, Washington, trying desperately to keep them all in a line.

Looking deeper into my crystal ball I see a cloud of dust arising which appears to be Rosie Klima on her horse "Galloping Gertie." She seems to be pursued by Herman.

The picture is clear now and I can see Merle Janke who has just taken Bob Hope's place as leading comedian of our time. His jokes he told in his high school days are the ones that made him famous.

As I study further into my crystal ball I can see the former Ardyce Kissler returning from her missionary tour in China with her husband Otto. This has really been top news in the papers as Ardyce has not lived up to her standards of being an old maid.

I now recognize a familiar face in this crystal ball. Ah, it is Mildred Elliott, a once famous model, who has now retired and has taken up the position as lightweight women's boxing champion of the Western Hemisphere.

I see now Lamar Heimbigner, as President of the Odessa State Bank. It seems as though Lamar is not to be trusted in a bank anymore as he has just been caught with embezzeling two million dollars from the bank as his wife Margie insisted on a new fur coat and Rolls-Royce convertible.

Again my crystal ball becomes dark but I can make out the familiar face of Mrs. Wayne King, the former Jo Mason, now living in Hollywood with her famous husband and two charming little Kings. Mrs. King finds this new music life somewhat of a change, but enjoys teaching her little ones to follow in the footsteps of their father.

The picture is again clearer and what do I see? Oh no! What a shame. Mrs. Copplefeathers alias Dorothy Winters is running about the streets of Seattle claiming to be the "First Woman of the Land". It seems as though this was all caused from a relapse of the brain from taking care of her six musical minded children.

As I study on I see the reformed Willard Gradel has just graduated from the Theological Seminary of Yankton College and is to be ordained into the ministry on Wednesday of next week. It seems Willard believes in keeping up the family traditions.

Wait a minute. I saw a streak of red go flashing through my crystal ball. It wasn't Mighty Mouse nor was it Superman, but none other than Donna Frank in her new 1948 red Cadillac convertible. This car was promised to her on her 16th birthday. The car was mistakenly sent to Odessa, Russia at the time and so it is somewhat out of style.

I now look further into the crystal ball and I see Madame Marlenia Scruppio, now a famous fashion designer here in America on a fashion tour from Paris modeling her latest creations in evening wear. With her she brought a young assistant, Wilmario Widmerano, who specializes in creating hats for Louella Parsons.

The ball is growing darker, but I can see a vision appearing. It's a rabbit. No, two rabbits—four-six-eight rabbits all over the place and look! Among them stands Marvin Fink. What a resemblance. Marvin has just bought a large rabbit farm at Nemo and plans to enter the business for himslf.

I can see Gerald Ott sitting on the front porch of his rambling shack in the Ozark hills, telling one of his famous fishing yarns to his cows. No one else seems to be interested in his fish stories anymore since he left Irby.

The visions are fainting out in my crystal ball but I can faintly see where Norma Hopp has just taken over the Hopp Inn Cafe. Her specialties are Chinese dishes and restaurant made soups.

Twelve Year Students

The above eight students began their education in the Odessa Grade School in the year 1938 with other students. These students were the only ones that continued their schooling in Odessa up to our present year, 1950, when they received their diplomas from the Odessa High School for twelve long years of hard work.

It cannot be truthfully said that these years have been long and hard. Along with the hard work we received many pleasures and memories which we shall never forget. At the time the years may have seemed long, but not until they were over did we realize that they were the shortest years of our lives.

The twelve year students of 1950 would like to thank our teachers, classmates, students and parents for the education and friendship they have gratefully given us the past twelve years. We cannot say how sorry we are to have it end.

STUDENT COUNCIL FIRST SEMESTER

Student council is composed of the presidents from each class and representatives from each class, and also the student body officers. The Student body President serves as chairman. Meetings are held once a week to discuss current problems of the school.

Once every quarter, student council members from various schools gather at different schools and talk over problems facing their particular school. Odessa has attended two of these meetings at Davenport and Reardan.

The Student Council gave a Halloween Party for the high school on October 30, 1949. Cider and doughnuts were the refreshments.

Highlighting the year was the Sweetheart Dance with the theme chosen as "Moonlight and Roses." Marvin Fink and Marilyn Salo were elected King and Queen with Maurice and Marciel Fink being elected Prince and Princess. Kathleen Phillips and Jackie Scrupps acted as crown bearers. Carol Larsen and Merle Janke were chosen best dancing couple with honorable mentions going to Yvonne Hopp and Myron Walter; Delila Janke and Eddie Huff. The Glee Club, together with the band, presented one concert this semester, which was held on December 17. Our guest singer was Phil Crosbie from Spokane. The Glee Club sold tickets for the concert and the proceeds taken from the tickets went to the Hospital Fund. This amounted to over $250.

The girls elected officers for their club, who are as follows:

BAND

We started out the year by marching in the Rodeo parade and presented a Sunday afternoon concert in September. Our officers for the first semester were: President—Wayne King, Vice President—Franklin Koth, Treasurer—Marciel Fink.

At the home football and basketball games the pep band played.

On December 17th we presented our Winter Concert at which time we wore our new band uniforms for the first time. Phil Crosbie, widely known baritone singer from Spokane, was guest soloist for the evening.

Second semester officers were: President—Wayne King, Vice President—Doris Wacker, Treasurer—Marciel Fink.

When Spring came it found the Band members very busy as many entered the Bi-County Solo and Ensemble in Almira on March 14th. Some also entered in the Eastern Washington Contest which was held in Pullman on April 1st.

The Odessa High School Band also entered in the Bi-County Meet in Wilbur, the Eastern Washington Contest in Spokane; the Marching Contest in Odessa and the Lilac Festival Parade in Spokane.

Our Spring Concert was held on April 29th.

We wish to thank our director, Mr. Weddle, for his wonderful patience and guidance to help us through the year.

PEP BAND

The Pep Band is composed of members of the regular band, which have had more experience and have distinguished themselves a little higher than the rest. They were chosen to play at the home football and basketball games.

At all of these games, including the Lions Club Tournament, they gave color and much action by playing and looking their best to entertain the spectators.

On October 6, 1949, this Band did some marching formation work at the game with Ritzville here at Finney Field.

The uniforms for the Pep Band are band pants and white sweaters. Many of the sweaters have music letters which are earned by points.

YELL LEADERS

The yell leaders for the school year 1949-1950 were chosen at the beginning of the school year as Marciel Fink, Mary Ann Totusek, and Phyllis Huff. Their duties throughout the year are composed of much hard work and ambition. They pep up the yelling section and lead them in all their yells. They back up the players which is very important in keeping up their morale and self-confidence.

Our yell leaders received new uniforms this year made of black wool and trimmed in orange corduroy, the colors of our school.

We appreciate the work of our yell leaders immensely and are very proud of them.

FOOTBALL

The Odessa Football team got off to a bad start this year. The team started by playing the Ritzville Broncos at Ritzville in a practice game. The Tigers lost this game 14 to 34. This was a big upset for the Odessa team. Although the Odessa team had the weight they didn't furnish enough speed.

In the next game the Odessa team rolled over the West Valley B team defeating them 26 to 12. In this game the Tigers played better but still didn't put out all they could.

As the season went on some of the Odessa players got injured and this accounted for many of their losses.

All in all the Tigers didn't do so good this year but the team has a lot of experienced players coming back, making it certain that they will do much better next year.

At the end of the season the Bi-County sports writers selected an all-Star team of which Odessa had two players on the second team. They were Don Kuest and Marvin Fink. Lamar Homberg and Harley Frank also got honorable mention.

This next year there are going to be 16 lettermen returning to the squad and we are certain that they will make a victorious team.

BASKETBALL

The Odessa basketball team started out the year by coming in last in the jamboree at Odessa.

They then came out from underneath and defeated Wilbur 40 to 39.

The Odessa team went in spurts this year. They beat the strong and conference winner, Harrington, and then they lost to Lind.

We had tough luck this year in injuries. Merle Janke, a starting forward and point maker turned his ankle and was unable to play when the team needed him. Art Odell, also a main player broke his wrist and was out for most of the year.

The Odessa team ended up in third place this year, but we think they could have come in first if there wouldn't have been so many injuries.

The Tiger coach this year was Mr. Carbaugh who helped the team very much.

Odessa had two players on the Bi-County anll conference team this year. Marvin Fink made the all Bi-County first team as forward and Merle Janke made the All Bi-County second team as forward. Merle Janke also made the second All-Star team in the Lions Club tournament. This next year should be a very good season because the Tigers only lost two players from the team.

TENNIS

There were thirty-nine students that turned out for tennis this year, including nine returning lettermen. The lettermen were: Franklin Koth, Harley Frank, Neal Phillips, Leslie Stehr, Harlan Wilskie, B. G. Williams, Sue Phillips, Marciel Fink, and Marilyn Salo.

Matches were played with the following town, both here and there:

Davenport
Lind
Sprague
Harrington
Ritzville

The South Side tennis meet was held at Odessa on May 3. The Bi-County meet was at Davenport, and the District was held at Comstock Park in Spokane, on May 19.

The boys doubles from Odessa, Harley Frank, and Franklin Koth, won the District Class A at Spokane last year; while Betty Lou Winter and Jim Amende, playing mixed doubles, placed first in the District Class B.

Odessa's prospects look very bright this year for winning the Bi-County and South Side meets, as well as for placing high in the District.

TENNIS FIRST PLACE DISTRICT WINNERS

After winning the South-Side playoffs at Odessa and coming in first at the Bi-County, Harley Frank and Frankie Koth were eligible to enter the District Class A tennis meet, in Spokane. This was held at Comstock Park on May 13, 1949. With not too much competition they succeeded in taking first place in Class A, a very envied position.

By winning this place as sophomores, we feel confident they will capture this title their remaining two years in high school.

Lots of luck to a swell kid and for your next years classes

BASEBALL

The Odessa High School has a hustling ball club this year, but shows lack of experience in team play. The team is yet in need of dependable pitching. Boys who show good possibilities in preparing for the conference season are Merle Janke, Richard Voise, Gary Mills, and Bud Zirkle. Good pitching, if achieved this season, will determine success of the season's play.

The team appears strong defensively, but somewhat uncertain thus far in the hitting department. Five non-conference games are scheduled before the regular season opens. Only two of them has been played to date [April 13]. It is hoped that these non-conference games will prepare the team for a good conference season. Lind, the defending champion, appears to be the team to defeat.

Members of the playing squad and their positions are as follows:

Wayne King	second base, field
Bud Zirkle	shortstop, third base, pitching, catching
Merle Janke	third base, shortstop, pitching
Lamar Homberg	first base, pitching, catching
Don Wolf	field
Bud Minard	catching, field

BOXING

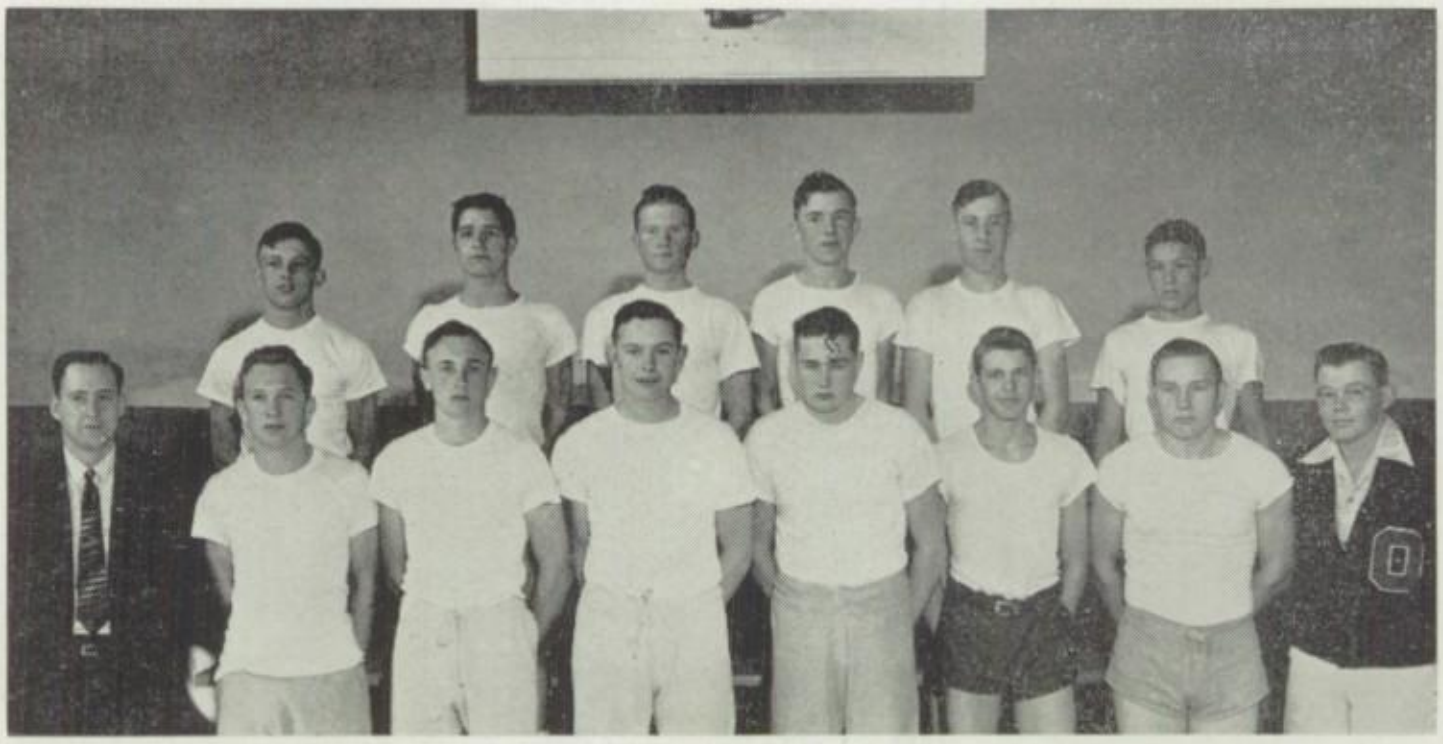
A little more interest was shown in boxing this year than last year, with 23 boys answering the initial call.

We finished the year with ten boys, all of whom participated in the Bi-County Tournament at Wilbur, Washington.

Those who won their weight divisions at the Bi-County Tournament and received golden gloves were Eddie Jasman, Lorus Kuest and Myron Walters. Myron also won his weight division last year and he was one of the few boys who repeated as a winner this year.

This year's boxing team consisted of only Freshmen and Sophomores which should prove to make our following years very successful.

In addition to boxing three nights at the Bi-County, this year's boxers also participated three times at Wilbur, and once at Creston.



Left to right, top row: Myron Walter, Bud Zirkle, Lo Wayne Heimbigner, Gerald Ott, Lee Schorzman, Lorus Kuest. Bottom row: John Gillis, Coach; Maurice Fink, Marvin Fink, Lamar Homberg, Wayne Stout, Dennis Quast, Donald Sieverkropp, Melvin Carlson.

TRACK

This year's track team will participate in the Bi-County meet at Ritzville and will send their first and seconds to the District Meet held at Cheney.

We don't have enough participants to have track meets with other towns. Our track team, however, looks very good and should show many winners.
